

REMARKS

Claims 1-95 are pending in the present application, prior to entry of this amendment.

Claims 1-95 are presently rejected.

Claims 1-95 have been objected to because of informalities. New claims 96-104 have been added to more completely claim the invention.

Claim Rejections under 35 USC 112

Claims 1-95 are rejected under 35 USC 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter. The use of the term "it" in the claims has been avoided by replacement with other terms. The phrase "substantially simultaneously" has been deleted from claims 1, 23, 52 and 72, so that these claims are now believed to comply with 35 USC 112, second paragraph.

Claims 24 and 72 have also been amended to remove language that may have been confusing. The claims as amended are believed to comply with 35 USC 112, second paragraph.

CONCLUSION

In view of the amendments and remarks contained herein, it is believed that all claims are in condition for allowance and an indication of their allowance is requested. However, if the Examiner is aware of any additional matters that should be discussed, a call to the undersigned attorney at: (415) 318-1162 would be appreciated.

Respectfully submitted,

James S. Hsue
